Marianne Fontes	Thank you for considering me for senator-at-large! During my Harper tenure, I have built a reputation of advocating for faculty, working well with others, and supporting students. Currently, I serve on the Tenure Committee, Testing and Placement Committee, and the Integrative Learning Committee. Also, I am the Integrative Learning Coordinator, organizing and planning programs related to Start Smart and Learning Communities. Through these roles, I am kept abreast and have input on many items related to all of our departments. I hope to continue my support of you, your departments, and all faculty while on the senate. Thank you!
Susan Grant	
Jeannine Lombardi	I am asking for your vote for Senator at-Large. The work I have done as your Senate Secretary for the past two terms has solidified my deep appreciation for strong union leadership and a strong union presence at Harper College. As a member of the Senate Executive Board, Strategic Plan Champion Team, Coordination and Review Committee, and Student and Success Policy Council I have continuously advocated for transparency, inclusiveness and accountability. If elected, I will continue to advocate on your behalf.

LIB ARTS Division Senator	
Brett Fulkerson-S mith	Given the opportunity to serve in the Senate, I will continue to zealously advocate for the interests of Liberal Arts faculty. For example, I sounded the alarm against the Administration's proposed pathways project as a threat to course offerings and faculty positions in the Liberal Arts, and organized faculty's improvements of it; as Director of Integrative Learning, I worked collaboratively with Liberal Arts faculty to stop the Administration's efforts to gut the cherished Learning Communities program; more recently, I have worked to secure resources vital to the continued success of teaching and learning in areas integral to a liberal education.
Chris Padgett	If elected Senator for Liberal Arts, I will be a loyal and committed advocate for faculty. I will make certain your voices are heard and your concerns are expressed. I will also bring a large degree of historical knowledge to the role. In my nearly 20 years at Harper, I have served on numerous departmental, divisional, and institutional committees, and I spent two years serving as Co-Chair of the Department of English. As with these roles, I will, as senator, conduct myself with integrity and generosity. Thank you for your consideration. I would be honored to have your vote.

MS Division Senator	
Terri Lake	
Two Tenure Committee Members	
Gerardo Cruz	
Brett Fulkerson-S mith	
Maggie McKinley	I believe it is incredibly important to recognize faculty's impressive and diverse contributions to the college, and actively supporting my colleagues' work toward professional development and advancement has always been a priority of mine. To this end, in recent years I have served on the Faculty Development Committee, the Professional Development Committee (PDAC), and the Liberal Arts Divisional Promotions Committee. I would welcome the opportunity to serve on the Tenure Committee, which does the critical work of acknowledging the valuable investments faculty make in Harper.
